Jaw-Jaw the Donkey

Jaw-Jaw the donkey had never **seen** or **heard** another donkey. The farm animals often told him many donkeys lived in other places and other lands.

Jaw-Jaw's friends told him that donkeys made a special sound quite different from any other animal sound. But he had never heard it, and he had never made the sound.

Jaw-Jaw the Donkey

Now the wise old scarecrow had heard the sound, and every time Jaw-Jaw asked him about it he replied, “Jaw-Jaw, you must learn to laugh. When you can laugh – **long** and **loud** and **lofty** – you will be a real donkey!”
